

**New England Chapter of the Academy of Certified
Hazardous Materials Managers (NEACHMM)
Meeting Announcement
(2013 NEACHMM Meeting #3)
Tuesday, April 23, 2013**

Please join NEACHMM for a technical presentation.

**Details: Introduction to the Global Chemical Substance
Regulations.**

Topic: Registration, Evaluation, Authorization and Restriction of
Chemicals (REACH) is the European Union regulation, adopted to improve the
protection of human health and the environment from the risks that can be
posed by chemicals. This regulation, which is now being adopted by other
countries, has changed the landscape of chemical risk management across the
globe. This presentation discusses the REACH journey of a U.S. based Specialty
Materials company serving a variety of market segments including electronics,
transportation, semiconductor, energy & power, printing and a variety of other
market segments. Challenges faced by the manufacturers and/or importers of
chemical substances, preparations and articles are also discussed in this case
study.

Speaker: Ms. Anita Jain
Ms. Jain is the Director of Environmental, Health, & Safety Engineering
Department of Rogers Corporation, a Specialty Materials company with
headquarters in Rogers, Connecticut. With over 25 years of experience, she is
responsible for leading Rogers' global EH&S operations including developing
and implementing a variety of compliance programs such as REACH.
She has also developed and taught courses in the Environmental Technology
Management program at the Arizona State University. Ms. Jain holds M.S.
Degrees in Chemistry and Environmental Management.
